

104xx1/25-sarja, PN 25, laippa / laippa, DN 100-500, supistettuaukkoinen

A large, blue industrial valve with a handwheel and a flange. The valve is shown in a 3D perspective view, highlighting its robust construction and the circular handwheel for manual operation. The flange at the front has multiple bolt holes for secure connection.

Technical drawing of a 100mm diameter ball valve. The drawing shows a top-down view of the valve body with a handle on the right. Dimensions are indicated: 'A' is the total length of the valve assembly, 'E' is the height of the valve body, 'D2' is the outer diameter of the valve body, and 'D3' is the diameter of the handle shaft.
