

304 серия, сварка / сварка, EN (DIN), DN 50-400, полнопроходной

A yellow industrial ball valve with a silver handle and metal end fittings. The valve is shown in a 3D perspective view, highlighting its robust construction and bright yellow finish. The handle is made of polished metal and is attached to the top of the valve body. The end fittings are also made of metal and have a flared, bell-mouth design.
